

Limited 24 Month Painting Warranty

For a period of 24 months from the completion date of the work as described in your contract, Pro Precision Painting will repair any blistering, peeling, chipping, flaking, or excessive chalking (referred to as "covered conditions") as a result of flawed workmanship. Warranty coverage is subject to the limitations outlined below.

Pro Precision Painting - a name you can trust.

Warranty Claims

For warranty claims, please contact Pro Precision Painting at (636) 278-0231 or send an email to warranty@proprecisionpainting.com.

In order to retain the validity of Pro Precision Painting Warranty, you must:

- Have paid the full contract price, as outlined in your contract.
- Be able to present the original contract upon request.
- Be able to present a canceled check or other proof of your payment.
- Allow full access to the property for Pro Precision Painting to make the repairs.

Pro Precision Painting Warranty does not cover the following:

- Any performed work where the materials were not solely supplied by Pro Precision Painting.
- Any work that was not performed by Pro Precision Painting.
- Repairs to any horizontal surfaces or any surfaces that are exposed to excessive moisture and/or foot traffic. Surfaces include, but are not limited to, decks, railings, stairs, porches, sills, and wooden gutters.
- Paint bleed-through caused by wood knots, rust, or cedar.
- Cracks in drywall, plaster, or wood surfaces.
- Blistering, peeling, chipping, flaking, or excessive chalking where they are caused by:
 - ✓ Ordinary wear and tear
 - ✓ Abnormal use and/or abuse
 - ✓ Peeling or any other failure of coating layers below those applied by Pro Precision Painting
 - ✓ Structural defects, including, but not limited to, settling, movement, and sheering
 - ✓ Abrasion, abuse, coarse cleaning, exposure to chemicals, cleaning agents, or any other harmful solids, liquids, or gasses
 - ✓ Damages caused by fire, smoke, explosions, floods, acts of God, extremely severe weather, alterations to original work, vandalism, negligence, or any other similar causes that are beyond the control of Pro Precision Painting

Repairs covered by Pro Precision Warranty will be performed only on the surfaces and areas where blistering, peeling, chipping, flaking, or excessive chalking has occurred. Exact color and/or finish match is not covered under this warranty due to environmental changes all paints undergo over time. Pro Precision Painting shall not be liable for any damages or repairs in excess of the original contract price.
